

## Land Acknowledgement

BMO

As we gather here today, I acknowledge that the land we are meeting on has, for many millennia, been the traditional territory of Indigenous nations including the Huron-Wendat, the Haudenosaunee, the Anishnabeg and the Mississaugas of the Credit.

We honour and recognize the First Peoples of this territory, and the ongoing contributions of First Nations, Inuit and Métis (may-tee) Peoples to the vibrancy of our community today. We are grateful for the opportunity to live and work together on these lands.
