*Subject: CCIR Stakeholder Dialogue 2017*

*Re: CCIR Stakeholder Dialogue 2017*

*On behalf of the Canadian Council of Insurance Regulators (CCIR), I would like to invite you to participate in the 2017 CCIR Stakeholder Dialogue in Toronto, Ontario on October 25, 2017. This year's Stakeholder Dialogue will be the first following the release of the CCIR Strategic Plan 2017-2020 (attached). We appreciate the input you provided when we met last year. The feedback we received from our stakeholders provided the foundation for our strategic planning process. We hope that our discussions at the CCIR Stakeholder Dialogue 2017 will assist us greatly in the implementation of our new strategic.*

*The CCIR Stakeholder Dialogues provide you and your organization with an opportunity to discuss concerns and emerging issues in the country's insurance sector directly with the provincial and territorial regulatory authorities. CCIR members view the meetings as a valuable opportunity for our stakeholders to provide input, insight and context around emerging regulatory issues and priorities affecting Canada's insurance market.*

*A detailed agenda, participant list and further details, including the location will be provided in advance of the meeting. The CCIR expects participating stakeholders to present or speak to issues, concerns and trends that may be of interest to the regulators. This includes developments affecting consumers and the insurance market and other areas stakeholders believe regulatory attention is required.*

*Stakeholders interested in participating will be allotted a timeslot of up to 40 minutes. We ask that you please RSVP by August 11, 2017.*

*Regards,*

*Martin Boyle, Policy Manager | WCanadian Council of Insurance Regulators*
