On November 4, 2024 Keith Martin emails Mark Radley, Director, Consumer Affairs, of the federal Department of Finance (copy to Department personnel Anne Loosen, Economist; Tanjana Islam, Analyst; and Connor Ward, Economist).

Hello Mark,

I am following up on the consultation with respect to the Department of Finance's Draft Amendments to the Criminal Code.

Could you let me know the status of this process and where things stand in terms of the proposed draft amendments?

Were there any questions or clarifications required from CAFII in regards to our submission?

And if the Department of Finance would find a meeting to be beneficial to discuss any of these matters, please let me know. We would be pleased to meet if that would be helpful.

Personal regards,

--Keith
