Dear Ms. Robertson:

The Canadian Association of Financial Institutions in Insurance (CAFII) extends hearty congratulations on your recent appointment as Commissioner of Financial Consumer Agency of Canada (FCAC) and best wishes for much success in that critically important regulator CEO role.

We applaud Finance Minister Morneau's selection decision, as your strong background as a Commissioner/Board member with financial services regulatory organizations coupled with your extensive private sector leadership experience constitute an ideal background for leading the FCAC through the vitally important next phase in its mandate as regulator of federally regulated financial institutions (FRFIs).

The FCAC is a key regulator for CAFII because many of our members are distributors of creditor's group insurance and travel insurance as "Authorized Insurance Products" – through banks and federally incorporated credit unions – under the federal Bank Act and the related Insurance Business (Banks and Bank Holding Companies) Regulations (IBBRs).

Our Association has therefore had regular liaison and dialogue with the FCAC over the years, including those meetings set out in Appendix A to this letter for your information.

In that connection, a secondary purpose of this letter is to advise that CAFII would like to arrange a get-acquainted and dialogue meeting with you and other FCAC staff executives, as appropriate, sometime this Fall after you have had time to settle into your new role as Commissioner.

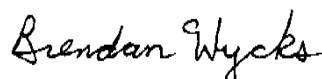

Given that the Minister's announcement of your appointment indicated that your start date as Commissioner would be 19 August, 2019, we will therefore follow-up with your office in late September, with a view to arranging a meeting with you and key team members sometime in October or November at the Agency's Ottawa office. We would like to secure a meeting of approximately 90 minutes duration. In that meeting, in addition to getting more fully acquainted and having an update dialogue on regulatory matters of mutual interest, CAFII would like to make a brief overview presentation on the Authorized Insurance Products which our members offer to consumers, and also share the results of recent research conducted by Pollara Strategic Insights (which is also FSRA's polling/survey research provider) on consumers' experiences and satisfaction with credit protection insurance and travel health insurance.

We look forward to meeting with you in your new leadership role as Commissioner of the Financial Consumer Agency of Canada.

Sincerely,

Keith Martin, Co-Executive Director, CAFII

### **About CAFII**

CAFII is a not-for-profit industry Association dedicated to the development of an open and flexible insurance marketplace. Our Association was established in 1997 to create a voice for financial institutions involved in selling insurance through a variety of distribution channels. Our members provide insurance through client contact centres, agents and brokers, travel agents, direct mail, branches of financial institutions, and the internet.

CAFII believes consumers are best served when they have meaningful choice in the purchase of insurance products and services. Our members offer travel, life, health, property and casualty, and creditor's group insurance across Canada. In particular, creditor's group insurance and travel insurance are the product lines of primary focus for CAFII as our members' common ground.

CAFII's diverse membership enables our Association to take a broad view of the regulatory regime governing the insurance marketplace. We work with government and regulators (primarily provincial/territorial) to develop a legislative and regulatory framework for the insurance sector that helps ensure Canadian consumers get the insurance products that suit their needs. Our aim is to ensure appropriate standards are in place for the distribution and marketing of all insurance products and services.

CAFII is currently the only Canadian Association with members involved in all major lines of personal insurance. Our members are the insurance arms of Canada's major financial institutions – BMO Insurance; CIBC Insurance; Desjardins Financial Security; National Bank Insurance; RBC Insurance; ScotiaLife Financial; and TD Insurance – along with major industry players Assurant, Canadian Premier Life Insurance Company, CUMIS Services Incorporated, Manulife (The Manufacturers Life Insurance Company), and The Canada Life Assurance Company.
