Subject: Proposal Re CAFII's Return To Insurance Regulator and Policy-Maker Visits Tours In 2023

Hi, Brendan.

We can discuss this before the July 26 EOC meeting, but if you are comfortable and concur with this, I would like to recommend to the EOC that while the next planned Regulatory visits tour in the usual cycle would see us traveling to the four Atlantic Canada provinces, given the time that has passed since our last visit anywhere (Western Canada tour in October 2019), it is actually to the four Western Canada provinces that we should go again first, given how much more important they are in terms of size and activity.

Therefore, I would recommend that we go to the West in the spring of 2023, and to Atlantic Canada in the fall of 2023.
