

Agenda Item 6(f)(2)

March 24/20 EOC Meeting

After the meeting's conclusion, there was informal discussion and dialogue, during which April Stadnek, Director, Strategic Initiatives at the Insurance Councils of Saskatchewan (ICS), advised Brendan Wycks and Keith Martin that while in Toronto that week, she had met two days prior with Luke O'Connor of CLHIA and with Moira Gill of TD Insurance, as a CAFII representative, on the issue of implementing/launching a Restricted Insurance Agent Advisory Committee in Saskatchewan, which had recently been formalized via publication of the ICS' new Bylaws on its website. Ms. Stadnek indicated that she would be reaching out to the CLHIA and CAFII soon with further information.
