Subject: CAFII.INSURANCE - Pending Create Approved

Domain Name: CAFII.INSURANCE

CAFII.INSURANCE has passed the .INSURANCE verification process. As a result, CAFII.INSURANCE has been modified from "Pending" to a new status of "OK".

Your .INSURANCE domain is now ready to be used. EnCirca is providing free DNS activation of your domain name. This includes free set-up of .INSURANCE-branded nameservers, DNSSEC, DMARC, Web forwarding and email forwarding. It also includes a free three-month trial of our SecuredNS service.

We will let you know when your domain has been activated, so that you can start using your new .INSURANCE domain! If you have any questions, please email us at [support@encirca.com](mailto:support@encirca.com).
